

Eligible Measures for Clallam County PUD/First Fed. Loan Program

This low interest loan is available for existing homes (site built and manufactured) and small commercial businesses that are served by Clallam County PUD. It is not intended for new construction. Minimum loan amount is \$1,000; maximum loan is \$15,000. Proof of purchase or estimates are required. Loan applications may be obtained by calling 452-9771, or 1-800-542-7859, Extensions 249, 253 or 258.

Energy Efficient Lighting

When included in a major building retrofit

Compact Fluorescent Bulbs (unitary screw-in)
Compact Fluorescent Interior and Exterior Fixtures
Energy Efficient Light Bulbs
High Pressure Sodium Fixtures
Metal Halide Fixtures
Photocells
Timers

Electric Energy Reducing Building Improvements

Ceiling Insulation
Wall Cavity Insulation (loose-fill)
Wall Cavity Insulation (batt)
Floor Insulation
Blower Door Testing (with weatherization)
Air Sealing (building envelope)
Heating Duct Testing
Duct Sealing/Duct Insulation
Air to Air Heat Exchanger for Indoor Air Quality
Window Upgrades
(must be a U-value of .35 or lower)
Water Pipe Insulation (with weatherization)
Insulated Exterior Doors (with weatherization)

Heating and Cooling Improvements

Electric Air Source Heat Pump
(HSPF 8.1 and SEER 11 or greater)
Electric Ground Source Heat Pump
(must be installed by IGSHPA installer)
Programmable Set-Back Thermostats
for Electric Heating and Cooling Systems
Electronic Line Voltage Thermostats
Electric Fireplaces

Water Heating Improvements & Appliances

Electric Efficient Water Heater- minimum energy factor ratings with a minimum 10-year warranty:
.93 for 30-39 gallons
.93 for 40-49 gallons
.93 for 50-64 gallons
.91 for 65-79 gallons
.91 for 80-118 gallons
.85 for 119 gallons
Pipe Insulation (minimum R-3) (with weatherization)
Solar Water Heating
(factory manufactured)
Electric Water Heater Heat Pumps
(factory manufactured)
Electric Demand/Point of Delivery Water Heaters

Power Quality

Electrical Permits Required

Surge Suppression Equipment
(with major power quality project)
Generators
Transfer Switches

Solar

Photovoltaics (PV Panels)
Inverters
Solar Package/System Equipment
Solar PV Roofing
Solar Water Heating (factory manufactured)
