

# Clallam County PUD presents C&ILO: Commercial and Industrial Lighting Offer

## Commercial and Industrial New Construction Lighting Rebate Program

### Eligibility Requirements:

- ◆ Commercial and industrial customers of Clallam County PUD are eligible for participation in the program.
- ◆ Only new buildings or major remodels within Clallam County PUD's service territory are eligible.
- ◆ Lighting system must operate minimum of 2,000 hours per year to be eligible.
- ◆ Authorization and signing of an "Incentive/Implementation Agreement" by Clallam County PUD and customer shall precede purchase and installation of equipment.
- ◆ Program funds are offered on a "first come, first served" basis. Incentive amounts are subject to change over time.
- ◆ All equipment must meet C&ILO Rebate Specifications and Requirements.

### Steps for Participation:

1. Contact Clallam County PUD for program details.
2. PUD assesses eligibility and lets you know if you are eligible to participate.
3. PUD schedules a review of the design documents, including the lighting schedule.
4. If customer wishes to proceed, an "Incentive/Implementation Agreement" (Agreement) is executed between the customer and the PUD.
5. When project is completed (within the time allotted in the Agreement), the customer notifies the PUD and provides product cut sheets and invoices for both materials and labor.
6. After PUD inspects buildings, verifies completion in accordance with the Agreement, and gives final approval, the rebate incentive is processed and payment is made.

#### Note:

**There are many products on the market that meet the requirements of the PUD's program. Some products are superior to others.**

**For your protection, we advise you to research the products for quality, price, and conformity with our requirements before making your decision to buy.**

# Clallam County PUD presents C&ILO: Commercial and Industrial Lighting Offer

## Commercial and Industrial Lighting Rebate Program

### Program Incentive Levels:

Code	New Fixture/Sensor Description	Incentive Per Unit*
<b>A.</b>	<b>High-Performance T8 Fluorescent Lamps and Electronic Ballast in a New Fixture</b>	
	The fixture shall include a High Performance 48" T8 lamp and ballast system listed on the CEE qualifying products list. Refer to this link: <a href="http://www.cee1.org/com/com-lt/com-lt-prod.pdf">http://www.cee1.org/com/com-lt/com-lt-prod.pdf</a>	
1	Upgrade any fluorescent fixture to High Performance	<b>\$10</b>
<b>B.</b>	<b>High-Bay T8 or T5 Fluorescent Fixture</b>	
	T5 fixture must have 3 or more lamps, T8 fixture must have 4 or more lamps. Fixture must be installed in a high bay area with a minimum mounting height of 15'.	
1	T8 or T5 New "High Bay" Fixture	<b>\$50</b>
<b>C.</b>	<b>Sensor or Timer Control of Fluorescent</b>	
	Sensors required by code are not eligible.	
1	Controls a minimum of 120 watt connected load.	<b>\$30</b>
<b>D.</b>	<b>Stairwell Fluorescent Fixture</b>	
	Fixture must be specifically designed for stairwell lighting.	
1	Bi-level fixture with occupancy sensor control	<b>\$50</b>
<b>E.</b>	<b>Ceramic Metal Halide (hard-wired)</b>	
	Hard-wired new recessed can or track heads (cans). Incentive is per lamp, i.e. per track head.	
1	20 to 100 Watts (Nominal Lamp Watts)	<b>\$40</b>
2	101 to 400 Watts (Nominal Lamp Watts)	<b>\$50</b>

\* **Note:** More than one measure can be claimed per fixture.  
For example: a high-bay T8 fixture could receive a high-performance, high-bay and sensor incentive for each fixture.
