Building Envelope Measures: Qualifying office or retail space must be 5,000 ft² or less and currently heated electrically.

- Windows
  - Converted residences with single paned windows: $3.00 per square foot

Heating and Air Conditioning Measures:

- Commercial Rooftop Air-Conditioners: $30 - $1,200
  Rebate amount is dependent on size and efficiency of equipment. Please contact us for more details.

- Commercial Ductless Heat Pumps: $250 per ton
  Must use an installer on the District’s Participating Installer List

- Commercial Heat Pumps: $100 to $250 per ton, depending on existing heating equipment.
  Must use an installer on the District’s Participating Installer List (Hyperlink: [http://www.clallampud.net/conservation/res_Participating_Installers.asp#heat](http://www.clallampud.net/conservation/res_Participating_Installers.asp#heat)).

Lighting Incentives for New and Existing Construction:
Clallam County PUD offers a variety of incentives for new and existing construction lighting projects. Please contact us for more details.

Commercial Appliance Rebates:

- Refrigerators $100 - $200
- Freezers $200 - $700
- Clothes Washers $90 - $180
- Commercial Ice Makers $40 - $250
- Electric Combination Ovens $1,750
- Electric Fryers $125
- Hot Food Holding Cabinets $200 - $400
- Electric Steamers $100 - $200
- Residential Style Water Heaters $25
- Commercial Style Water Heaters $25

Please see reverse side for more incentives and general program guidelines.
Custom Project Incentives:
Incentives are available for custom commercial and industrial projects. Project engineering must be submitted for the District’s and Bonneville Power Administration’s review prior to installation. Incentives are based on kWh savings and measure life. The incentive levels for different project types are detailed in the table below.

<table>
<thead>
<tr>
<th>Project Type</th>
<th>$/kWh</th>
</tr>
</thead>
<tbody>
<tr>
<td>Commercial</td>
<td></td>
</tr>
<tr>
<td>– New Construction:</td>
<td>$0.27/kWh</td>
</tr>
<tr>
<td>– Existing Construction:</td>
<td>$0.20/kWh</td>
</tr>
<tr>
<td>Industrial</td>
<td></td>
</tr>
<tr>
<td>– New Construction:</td>
<td>$0.27/kWh</td>
</tr>
<tr>
<td>– Existing Construction:</td>
<td>$0.25/kWh</td>
</tr>
</tbody>
</table>

General Guidelines: Commercial and Industrial Incentives
- With the exception of appliance rebates, all projects must be pre-approved by the District prior to installation.
- Rebate/incentive levels cannot exceed actual costs and can be modified or discontinued at any time.
- All applicable BPA specifications must be met.
- Please see program materials for more information.
